

CLIC Associate
Partner services

CLIC

CLIC Innovation service package to our Associate Partners

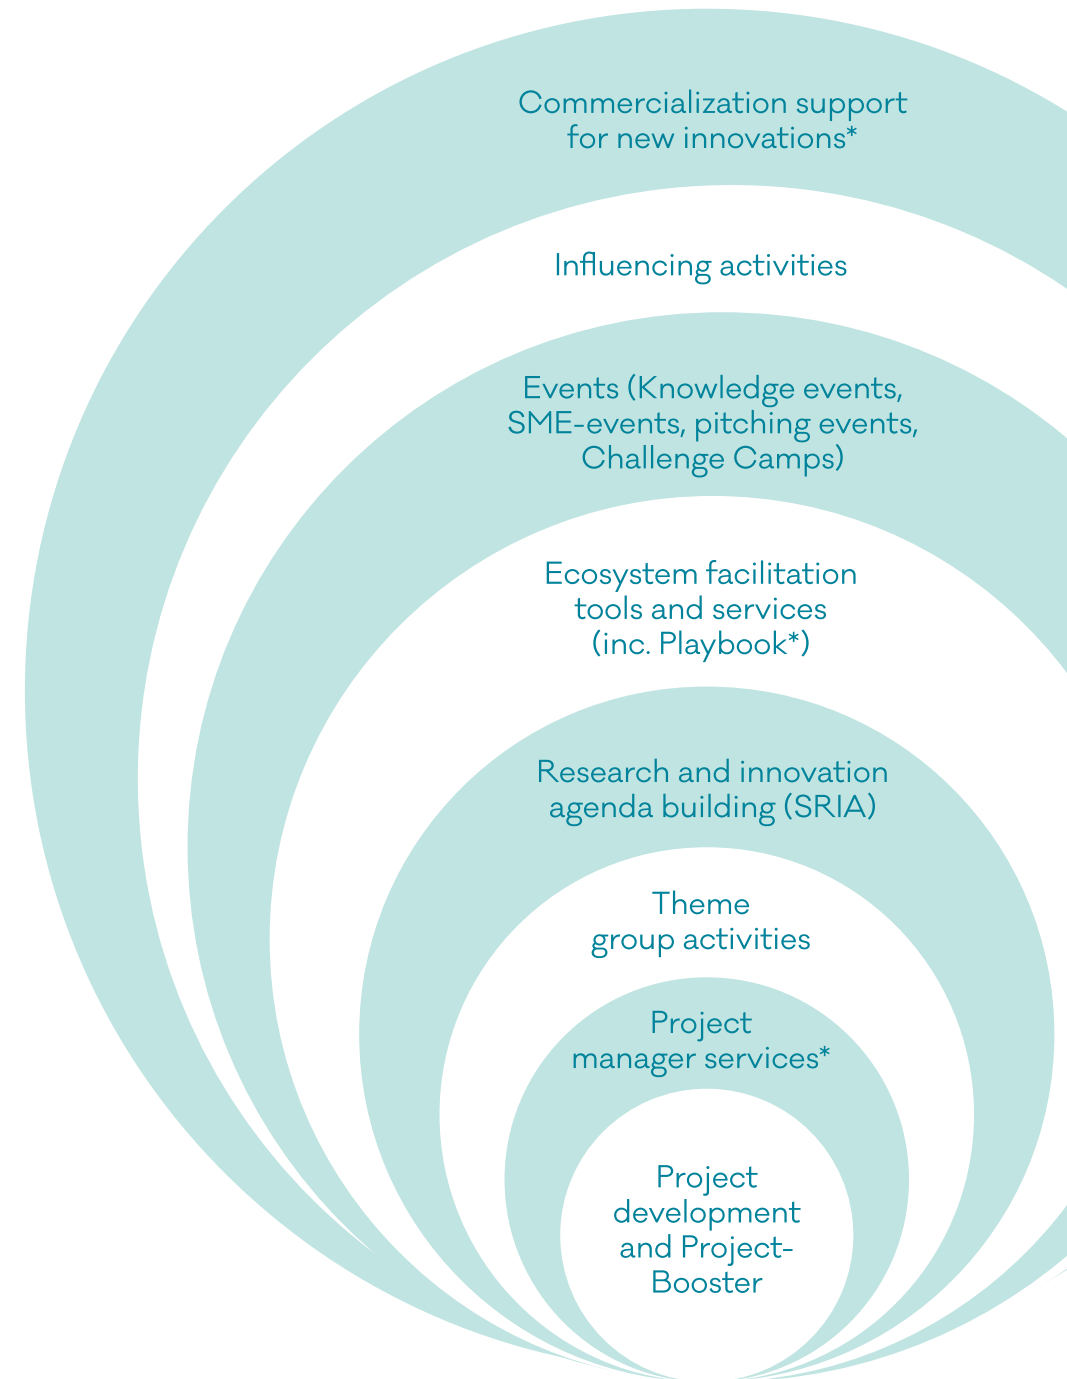

- >> Do you operate in the areas of bio economy, circular economy and new energy solutions?
- >> Are you interested in creating sustainable break through solutions together with other companies and academia?
- >> Are you looking for international contacts, new technology, new knowledge or new business opportunities in the above themes?

**Join us to develop
sustainable solutions for the
global challenges together with
forerunner companies and
research institutions!**

CLIC Innovation service package to Associate Partners

Our services offer the Associate Partners an opportunity

- >> to **network with both businesses and academia** in Finland, Nordics, Europe, and internationally within and across the industries
- >> to get involved in our **four themes**: bioeconomy, circular economy, energy, urban environmental solutions, and **two ecosystems**: GreenE2 and 4Recycling
- >> to participate in defining the common **strategic research and innovation agendas** and in deciding about joint actions
- >> to find new ideas and get inspired by others in our **CLIC events**
- >> to network with new innovative **start-up and SME companies**
- >> to **take part** in CLIC's facilitated R&D&I project planning
- >> to be **a member of the consortiums** CLIC builds for different projects
- >> to utilize CLIC's **support** in drafting **consortium agreements** for projects
- >> to get updates on our themes and on the latest financing, project and research opportunities via **thematic events and communication** (bi-monthly newsletter, website, social media, Sharepoint, Teams)
- >> to pilot and use **advanced ecosystem management tools** (Playbook)

*Not included in the yearly fee, separate pricing.
